- Discover powerful fatherhood skills
- Connect to valuable community resources
- Receive guidance on issues of: *Parenting Time, Paternity, Child Support, Custody, and more!*
- Interact and learn with fathers in your community

GET THE FACTS:

Fathers have a powerful and positive impact on the development and health of children.

Research shows children with actively INVOLVED fathers:

- Develop better verbal and intellectual skills
- Perform better in school
- Are more emotionally secure
- Have fewer behavioral problems
